Neighborhood Survey

In an ongoing effort to determine how we might best serve the interest of our neighbors, the Keswick-Stornaway Area Neighborhood Association (KSANA) has developed a survey attached to this newsletter.

We need your input!!! Please take the time to consider the questions and do one of the following:

1. Respond to the survey on-line via our Web Site KSANA.org, or
2. Complete the attached document and return it via the self-addressed envelope included, or
3. Complete the attached document and deliver it to Denise Sharpe at: 2567 McVay Road

Happy New Year

I know that you feel as I do that KSANA is a wonderful neighborhood in which to live. Neighbors take pride in their properties and we all love to see families out walking, jogging or riding bikes through the neighborhood. Whatever you call it, this pandemic has made the past year a memorable one. I would like to thank all our neighbors who are hospital heroes, first responders and teachers. I also thank those who keep our grocery stores, restaurants, and the service industry performing during this difficult time. A special shout out to those who have helped by taking neighbors to the grocery store, doctor appointments, etc.

Sincerely,

David L. Smith, KSANA President

Calendar of Upcoming Events Key Communication

Due to the Pandemic, some of our regular Neighborhood activities may have to be postponed or modified.

- **May 1, 2021:** The first Saturday in May is designated as our annual neighborhood Spring clean-up. Please join your neighbors and all get out and keep our neighborhood clean.
- **May 20, 2021:** Mark your calendar for our next quarterly meeting. The meeting details, ZOOM or in person, will be sent out as soon as the information is available.

We are still looking for new members, so if you have not already done so, please send us your contact information and begin getting all the breaking news. Send your contact information to **ksana.contact@gmail.com**.

City of Memphis Garbage Collection (General Guidelines)

- Place your carts and outside trash on the curb (not in the street storm drain) within 3 feet of the street.
- The cart lid should face the street, and cart handle should always face the house.
- Allow 4 feet between carts and outside trash and away from fixed objects (cars, mailboxes, etc.)
- Do not put items in storm drain, near mailboxes, parked cars, fences, trees, or low hanging tree limbs.
- Bulky items are limited to half a cubic yard and must be placed on the curb within 3 feet of the street.
- Tree debris must be less than 5 feet in length and less than 13 inches in diameter.

Construction and Demolition Debris

City ordinance prohibits the City from removing dirt, brick, rock, concrete, scrap, lumber, roofing, fencing materials, carpet and any other debris generated because of construction or demolition. Contractors who create waste are required to remove such waste upon completion of work.

KSANA Holiday Food Drive

Congratulations and thank you to all in the neighborhood that supported our Food Drive in support of the Mid-South Food Bank. The drive was an overwhelming success. You donated over \$700 in cash and over 360 pounds of food. All together the neighborhood donated enough to provide up to 2400 meals. What an outstanding accomplishment! We thank you all with a special shout out going to Meredith Jennings and Ann Meier for taking the lead along with our collection team of Patsy Smith, Nate Ollie, Lauren Ollie, Roger Meier and Jonathan Jennings.
