### Maintaining our Association

KSANA is a voluntary nonprofit association dedicated to promoting the common interest of the property owners and residents of the Neighborhood. Your continued support during these difficult times is critical in allowing us to continue to provide our programs and services for your community.

Key Objectives of our Association:

- To provide a forum for residents to exchange ideas and interests having a commonality to the residents of the neighborhood
- To maintain, protect, and enhance the Association's area and to promote a sense of community pride and safety.
- To represent the Association as a unified body in matters of concern to the residents.
- To keep the residents informed of public and governmental issues and civic affairs that involve the Association.
- To promote a safe and friendly neighborhood.

We are still looking for new members, so if you have not already done so, please complete the attached Contribution Form and return it at your earliest convenience.

Sincerely,

*The KSANA Board of Directors*

### Calendar of Upcoming Events Key Communication

Due to the Pandemic, some of our regular Neighborhood activities may have to be postponed or modified. We all need to stay flexible in the current environment. To keep everyone informed, your Board has implemented several modes of communication:

- Email: Please let us know if you want to have your email address added to our list.
- Newsletter: Published four times a year.
- Nextdoor; Facebook and our KSANA Webpage (KSANA.org)

Thanks to Micah Haddad for keeping our communications current and relevant. We will keep you posted as to events and key activities.

### Crime & Safety

Although the Neighborhood Watch Program has been put on hold temporarily due to the Pandemic, the Ridgeway Precinct continues to support our neighborhood and the 73000 residents in Southeast Memphis with 136 Officers and 14 Managers. Although crime in Memphis gets a lot of attention from the media, crime in our area was down in 2019 and so far again in 2020. Please give a wave and shout out to the officers that help keep our neighborhood one of the best in all of Memphis.

## KSANA Neighborly News

- Happy Birthday to Bud Bush on turning 90 years young this month.
- Sadly, Suzanne and Mark White will be moving soon to their new home off Walnut Grove. Mark and Suzanne have been great supporters of our neighborhood and although we wish them well, we will miss them very much.
- Condolences: Thoughts and prayers go out to Rebecca Brasfield and family on the loss of her husband, Jerry Dean Brasfield. Jerry and Rebecca, long time members of the neighborhood, owned Brasfield Auto Service at Quince and Ridgeway.

## Looking for Step Up Leaders

Our Association intended to have an election for Officers and Board Members during our August Meeting. However, due to our inability to have a large gathering for an election, the existing board has agreed to continue for one additional year or until we can have a group setting. However, the nominations committee, is still looking for neighbors who want to make a positive contribution to our neighborhood. If you are interested in joining the board or a committee, please let any one of the existing board members know. Thank you for supporting your association.
