Spring Home Safety

Spring is a time for flowers to come out as well as criminals. As winter ends and the weather changes for the better, criminals will be out looking for easy opportunities. This is the time to be diligent and:

- 1) Don't leave valuable items (GPS, Phones, Laptops, Wallets, etc.) in your car!
- 2) Always keep your home doors locked even when leaving for a few minutes.
- 3) When getting ready to park your car, scan the area for anyone or anything suspicious.
- 4) Close your garage door and make sure you do not keep the automatic opener in your car especially if car is parked outside of garage.
- 5) Make sure shrubs and bushes are trimmed so there is no place for someone to hide.
- 6) Install an alarm system and make sure it is active when you are away from home.
- 7) Keep exterior lights on at night and install motion sensitive lights in dark areas.
